THE FLEET. THE CLUB. THE HISTORY.

A Fleet side has been playing on the site of our current home for more than a century, ever since Northfleet United first set foot on Stonebridge Road in 1905. From the time of the local cement industry's heyday through two world wars and right up to the modern day, with the urban regeneration and future expansion opportunities offered by the Thames Gateway and Ebbsfleet Garden City projects, the Fleet have always striven for success on the pitch and off it.

Since the towns' two clubs merged as Gravesend & Northfleet in 1946, the Fleet have paraded their honours with pride: the Southern League in 1958, a run to the FA Cup Fourth Round in 1963, the FA Trophy at Wembley in front of 40,000 fans in 2008 and numerous promotions in the years before and after, most recently in 2016/17.

The club is at the heart of its local community... and at the centre of the massive regeneration of the area, too. Having opened a new £5m Main Stand in 2017 and with further phases of a brand new stadium build to complete, Ebbsfleet United's growth and ambition matches that of its surrounding locality.

Crowds have increased year on year since KEH Sports Ltd took over the club in 2013 and last season we recorded our highest average home attendance in more than 50 years. There has never been a better time than now, with crowds on the rise and having qualified for the National League play-offs for the first time in our history, to get involved with Ebbsfleet United.

This coming season, you can join a host of successful local, national and international businesses in getting involved in our football club. Whether it's year-round first-rate hospitality, matchday sponsorship or advertising, there are plenty of commercial opportunities here at the Kuflink Stadium.

FACILITIES & HOSPITALITY

Last season, the Kuflink Stadium's new ultra-modern hospitality suites and Sponsors' Lounge opened – and our business partners and supporters packed out the venue to capacity throughout the season.

We have three superbly fitted lounges/suites available for matchdays and business events throughout the year. The following pages give a flavour of all we have to offer on the football side of things – but don't forget that the Kuflink Stadium is a year-round operation with state-of-the-art conference, banqueting and events facilities.

The venue is available for business or to enjoy private events such as birthdays, social events or other celebrations with close friends, family or colleagues so feel free to make use of the Kuflink Stadium on Saturdays for matchdays and during the rest of the week for everything else.
